

# Let's Talk

## *Supports Planning Services*

Join us for a relaxed and informative evening as we explore Supports Planning—a program that helps older adults, individuals with disabilities, and those with complex medical needs live safely and independently in the community.

This session is designed to help you understand the supports available and how to get connected.

### WHAT WE WILL DISCUSS

- Who qualifies for Supports Planning Services
- What kinds of supports are available
- How to help someone get connected to the program
